### Company

Sempra Energy ("Sempra"), headquartered in San Diego, California, is a Fortune 500 company with the resources to sell, generate, manage, trade, and deliver energy anywhere in the world. Southern California Gas Company and San Diego Gas & Electric Company are Sempra's two largest regulated utilities. Both subsidiaries operate in Southern California.

San Diego Gas & Electric Company (SDG&E) services a diverse geographical territory that encompasses approximately 4,100 square miles and serves customers the counties of San Diego and Orange, including approximately 25 cities. SDG&E provides both natural gas and electric services in San Diego County and electric services in Orange County. SDG&E has approximately 1.3 million electric customers and 850,000 natural gas customers throughout the service territory.

### Situation

SEMPRA Energy is deploying LMR Solutions SMART EPM, Powered By Microsoft Project Server to help them Manage their Automated Metering Projects.
